IP ACADEMY

Trademark Search – DIY easily

Date:	Tuesday, November 26th 2024 / from 09:00 am to 10:30 am
Type:	Webinar in English.
Knowledge:	You know what a trademark is and want to learn how to search for existing trade marks in free databases.
Costs:	This webinar is free of charge.

Content:

You will get to know the most important free trademark search engines and practise searching for earlier trademarks using examples. We will also show you how to find the right classes of goods and services (Nice Classification) for your own trademark application.

After the webinar you will understand

- where you can search for trademarks yourself (see.ip, TMView);
- what advantages the different search engines have;
- which database you can use to search for the right Nice Class (TMClass);
- how to perform simple searches yourself;
- what you can derive from the search result.

We look forward to your questions and contributions to the discussion.
